

You Alone

Wilfred Cuthbert

G C G
Out of nothing You made all things
C C/B Am D
In a word we came to be
G C G
In Your image and free to choose
C C/B Am G
We chose to leave our only hope

(chorus)

G C G
You alone, You alone
C C/B Am D
You alone Lord You alone

Verse 2

Forsaking heaven, your holy throne
You came to earth and died alone
Pursuit of saints, prophets and children
O set our hearts on You alone

Verse 3

So many things our hearts have sought
So many phantoms of empty thoughts
Let just one Voice now fill our souls
You alone Lord You alone
